Цікаво знати, що

The Star Spangled Banner  
Oh, say, can you see, by the dawn's early light,  
What so proudly we hail'd at the twilight's last gleaming?  
Whose broad stripes and bright stars, thro' the perilous fight,  
O'er the ramparts we watch'd, were so gallantly streaming  
And the rockets' red glare, the bombs bursting in air,  
Gave proof through the night that our flag was still there,  
Oh, say, does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

The Loch Ness Monster is a very large animal, supposed to live in Loch Ness (it's a very deep lake in Northern Scotland). People say that the Loch Ness Monster doesn't look like any other animal alive today. Although some people believe this monster really exists and say they have seen it, there is no scientific proof and for most people it's just a story. It is often shown in pictures as a creature like a large black or green dinosaur.
