

Examples of project work

■ *A project based on readers*

The learners are given free reign to do whatever they liked as long as it was somehow connected to the reader.

- Examples of the work produced could be:
 - Summaries of the story.
 - Crosswords / word searches of vocabulary from the story.
 - Reviews of the book.
 - Information found about the history of a character/building/town/country, etc.
 - Filmed scene from the book.
 - Presentation of a clip from the film of the book compared to a scene in the book.
 - Biographies and photos of actors from the film.
